

Margaret River Ultra Marathon – Rescheduled to 17th October 2020

Rapid Ascent advises that due to the COVID-19 (Coronavirus) pandemic, we have been forced to **postpone the 2020 Margaret River Ultra Marathon** that was to be held on 9th May in the Margaret River Region, WA.

The new date will be **Saturday 17th October 2020**. All aspects of the event will remain unchanged with the same course, format and camaraderie on the trails.

Our greatest priority is the health and safety of our staff, volunteers, contractors, and all event attendees but due to uncertainties surrounding the virus, we have made this change to protect everyone's well-being. Notice of this change has been circulated ASAP so you can update your own plans and training accordingly.

As a paid entrant into this year's event:

- Your entry has automatically been transferred to the new event date and you do not have to do anything.
- If you are unable to attend the race on the new date then our standard entry and refund policy apply as published on our [website here](#).

We are all incredibly disappointed by this outcome but sincerely hope you can join us for an incredible journey along the beautiful Cape to Cape coastline on **Saturday 17th October 2020**.

Thank you for your understanding. We wish you good health and fresh air.

Sam, John and the Rapid Ascent team.
